

Resources for Gombe 60 and Nature in Harmony 2020

'Gombe 60' <https://janegoodall.org/make-a-difference/gombe-60/>

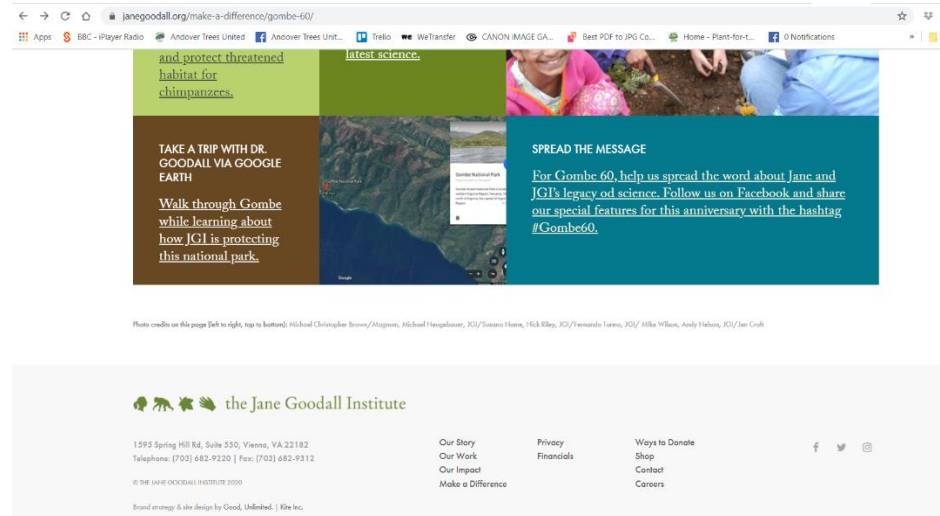

Finding out about Jane and about Gombe:

- **'Goodall, Gombe and Google' – a trip to Gombe on Google Earth**

Join Dr. Jane Goodall as she takes you on a journey to Tanzania's Gombe National Park and introduces you to some of the chimpanzees she has observed over the years

<https://earth.google.com/web/@-4.66243556,29.62914035,897.70797454a,1000d,35y,360h,0t,0r/data=CjYSNBIGMTA2NTQ0Mzg0ZWVmMTFmNmI2MTYxOWZkN2FmNGM1ZTAiEGVmZWVxX2pnaV90b3VyXzA>

(there is a link to this from the main Gombe 60 page, towards the bottom)

- **A bit about Jane**

<https://www.rootsandshoots.org/resources/hello-dr-jane-an-inspirational-biography/> (Know your place, see a problem, take action)

- **An intimate moment as Jane helps to release a chimp back into the wild**

https://www.youtube.com/watch?v=YGF3LiaYDyQ&feature=emb_rel_end (Releasing Wounda – if too long start at 1:30 mins in)

- **10-year-old video (2010): visit Gombe with Jane**

https://www.youtube.com/watch?v=k5Q6-hh49mU&feature=emb_rel_end

Jane Goodall brings Lara Logan and "60 Minutes" cameras back to the forests of Tanzania, where she began her love affair with chimpanzees 50 years ago, to remind the public that chimps are endangered. (13 minutes)

Nature in Harmony

LOCAL ENVIRONMENT MAPPING – ideal activity to accompany wildlife surveying

<https://www.rootsnshoots.org.uk/blog/2017/09/19/local-environment-mapping/> (using a compass and linear measures to plot features on a map)
